NEW!

All exhibitors should personalize the exhibitor’s badges before the assembly, using the Fira de Barcelona Accreditation System.

To get the badges the exhibitor should follow two steps:

Step 1: Through the Exhibitors’ Area (AEX), in *Useful information > Tasks to be performed > Exhibitor Badge and invitation management*. You can send by e-mail or download the codes of the exhibitors’ badges.

The operation is similar than the electronic invitations to invite your customers. The only difference is that the final issue is an EXHIBITOR BADGE with a longer schedule than the visitor (unique useful during the celebrating days).

* *In case of need to buy additional exhibitor badges*, these can be acquired on the e-commerce platform and following the same steps.
