Oct 30, 2024

Dear exhibitors,

FIC2024 will be held in Hall 3, Hall 4.1, Hall 5.1, Hall 6.1 Hall 7.1 and Hall 8.1 of National Exhibition and Convention Center (Shanghai) on March 20-22, 2024.

Please read through the following International Exhibitor Service Manual, and arrange the exhibition booth according to the specified time (exhibitors with custom-built booths should be informed of regulations on fire & electricity, and forward the relevant content of the exhibition booth layout in this manual to the construction company), and make preparation for inviting domestic and foreign customers, accommodation reservation and other related work to ensure the smooth progress of the exhibition.

International Exhibitor Service Manual can be found and downloaded on FIC official website www.cfaa.cn by your FIC user and password. You are welcome to follow the CFAA Wechat subscription account, the service account, the FIC Applet, FIC App (see the cover of this Manual for the QR code) and to keep up with the latest news FIC at any time.

Special note: According to the requirement of epidemic prevention of COVID-19, participants should take good personal protection and seek medical treatment in time if anyone has fever symptoms.

Thank you for your support and cooperation. We wish you every success in the show, and look forward to seeing you at FIC2024 in Shanghai!

Yours faithfully,

China Food Additives & Ingredients Association

CCPIT Light Industry Sub-Council

4.3 Please take booth confirmation(downloaded from FIC website with company account), ID card, company name card for registration. Exhibitors can get Exhibitor Badges, the Show Catalogue, Move-out Notice, FIC2025 application form and other materials.

4.4 FIC2024 show programs

Please refer to official information if there is any change to the following info.

4.4.1 Member Meeting of CFAA

Time: 14:00 – 17:30, Mar. 19, 2024

Location: Meeting Room at Le Meridien Shanghai Minhang Hotel

This meeting will review the development of the food additives and ingredients industry in China, and discuss the problems and solutions. We welcome all member companies and exhibitors from both home and abroad to participate.

4.4.2 Summit Forums of Academicians in Food Industry

We will invite academicians of the Chinese Academy of Engineering and senior experts from home and abroad in the food industry to share their latest scientific research achievements and authoritative views on the theme of technological innovation of food additives and ingredients industry technology and equipment, relevant laws and standards at home and abroad.

4.4.3 Technical Seminars

Time: Mar. 20, 2024 (Wed.) 09:15 – 12:00; 13:30 – 16:30

Mar. 21, 2024 (Thur.) 09:15 – 12:00; 13:30 – 16:30

Location: Meeting Rooms at NECC(Shanghai) (detailed information will be released at FIC official website in Feb., 2024)

4.3.4 On-site Consultation with Senior Industry Experts

Senior experts from 12 professional committees of China Food Additives & Ingredients Association will answer questions which companies meet in the process of production and application.

Time: Mar. 20-22, 2024

Location: Organizers' office of FIC2024

5. Online Information Modification for the Official Exhibition Catalogue

Company information (company and product profile, contacts, etc.) filled by exhibitors on FIC official website (www.cfaa.cn) will be published in FIC2024 Show Catalogue. Please login “*website user login*” on www.cfaa.cn for checking your information and contact the organizers for any modification by **Feb. 6, 2024**.

The exhibitor information will be promoted on FIC website and new media before FIC2024 and will be retained on www.cfaa.cn for “*Exhibitor Search*” for one year until FIC 2024 opens.

6. Exhibition Rules and Regulations

6.1 The control of the Exhibition is vested, at all times, in the organizers whose decision is final and binding on all Exhibitors and Contractors.

6.2 Exhibitors shall abide by the rules and regulations set forth in this Manual and the Amendments to this

Manual, and the rules and regulations governing this exhibition released by the organizers after this Manual is being issued.

- 6.3 Upon signing the Application Form and Contract with the organizers, it is regarded that the Exhibitor is willing to accept the rules and regulations governing the exhibition. For exhibitor who violates the rules and regulations set forth in this Manual, the organizers are entitled to close his booth and terminate his participation in the exhibition and to clear out all exhibits, or ask him to partially clear out the exhibits for adjustment. The organizers shall not be held responsible for any loss of the Exhibitor.
- 6.4 Exhibitor shall not sell, transfer or sublet his booth in whole or in part to others.
- 6.5 The organizers reserve the final right to interpret or modify any content of the Manual. Should the Exhibitor have any doubts about the content of the Manual or the regulations set forth thereof, please contact the organizers for interpretation.

7. Regulations on Booth Construction

7.1 Official Contractor:

AFU EXPO (Shanghai) SERVICES Co., Ltd. (hereinafter "AFU EXPO") has been appointed as the Official Contractor for FIC2024 Overseas Pavilion(Hall3, Hall4.1 and Hall5.1)

Application for board, furniture, electric box, compressed air, water supply, telephone, network cable and other standard booth construction matters shall be taken care of by the official contractor. See [Attachment 7](#) for details. Please login on [AFU EXPO Platform](#) or <http://www.afuexpo.net/esm-afu/login> for booking related facilities and paying before **Feb. 20, 2024**.

We highly recommend that exhibitors use the services (booth construction, furniture rental, etc) of the Official Contractor so that the rights and interests of exhibitors can be better defended. For the problems or disputes caused by using an Exhibitor Appointed Contractor and for the loss incurred thereof, the organizers and the Official Contractor assume no responsibilities.

- 7.2 **The statutory regulations of the Exhibition:** The rules and regulations stipulated in the Manual are all legal regulations governing the Exhibition, and are binding on all exhibitors and their EACs to ensure the legitimate order of the Exhibition.

7.3 Rules on exhibiting and requirements on booth construction:

- 7.3.1 It's strongly recommended that the company name appeared on the facial board should be in both Chinese and English, and that exhibitors prepare publicity materials in both languages.
- 7.3.2 The company name appeared on the facial board should accord with the one submitted by the exhibitor online and is not allowed to be changed.
- 7.3.3 Sound and light control: Exhibitors are not allowed to use sound devices in the booth that may affect other booths. In case of any violation, the organizers reserve the right to ask the exhibitor to stop using the audio equipment. The maximum volume of each booth's audio equipment is 65 decibels. If receive a complaint, the organizers have the right to ask the exhibitor to turn off the audio equipment or reduce the volume. If the volume exceeds the maximum limit of 65 decibels for three times, the organizers will have the right to cut off the power supply of the booth and impose a fine of 5000 RMB (deducted from the garbage removal fee).If the exhibitor requests to re-connect the power supply, he/she shall guarantee in writing.
The maximum volume of each booth equipped with LED screen which its audio equipment is 65 decibels. The sound and light control shall not affect the adjacent booths. No sound equipment shall be connected at the side facing the passage and the adjacent booth. The screen area shall not exceed 6 square meters. The light generated by the screen play shall not affect the adjacent booth.
- 7.3.4 The Exhibitor takes full responsibility for booth fire control and safety during the whole process of exhibiting from move-in to move-out. The Exhibitor shall assume sole and full responsibility for the accidents caused by breaching any set provisions.
- 7.3.5 Booth smaller than 18 sqm. shall not be made a custom-built one. The isolation wall facing the adjacent booth must be clean white and not have any words or patterns. The penalty for violation is 3000RMB (deducted from trash deposit). The decoration of the booth should in no way affect the

exhibiting of adjacent booths; no construction materials are allowed to go beyond the limits (horizontally and vertically) of space specified by the organizers.

- 7.3.6** The name of the exhibits or the products appeared in the publicity materials should be the same as the one set out in the National Standard. All exhibitors shall respect and protect IPR, and shall not exhibit fake products or use names not allowed to be used by law. Once found out, the organizers are entitled to request that the products accused of infringement be cleared out of the exhibition.
- 7.3.7** The booth shall not be sold, transferred or sublet by the Exhibitor. Admission badges for exhibitors shall not be lent to non-exhibitors. Please do not take furniture from other booths without permission.
- 7.3.8** Open fire is not allowed for making food at the booth. The exhibitor who wishes to cook or bake food on-site should apply for permission from the organizers before the Exhibition opens. And the cooking work shall not be carried out at the side close to the aisles.
- 7.3.9** Demonstration of machinery and equipment: the machinery in the booth must keep a safe distance from the audience and be equipped with safe operation devices. The personnel operating the equipment must have professional qualifications to ensure that the machinery or exhibits are demonstrated in a safe situation. The air outlet or vent of mechanical equipment should not face the adjacent booth or pedestrian passage. Appropriate measures should be taken before exhibition, sound insulation, heat dissipation or exhaust arrangement if the noise, heat or gas of machine are produced during operation,. The maximum noise volume should not exceed 65 db. The organizer has the right to ask the exhibitor to stop the demonstration immediately, and the exhibitor shall bear all losses caused by the violation.
- 7.3.10** Retailing is not allowed at the Exhibition, and products not included in the Exhibition's Exhibit Profile shall not be displayed. If it is violated, the Organizers have the right to request a withdrawal of the product, and no fund will be due to the Exhibitor.
- 7.3.11** Please do not hang, paste or hand out publicity materials, or pile up things in public areas. The Exhibitor shall not ask staff or publicity team to walk around in the Exhibition Venue, or stay in public areas to give out publicity materials. All publicity activities shall only be carried out within one's own booth and the violation of this regulation will result in confiscation of the publicity materials and things and fined 3000RMB.
- 7.3.12** Early move-out is not allowed: The exhibition will end at 15:00 on Mar. 22, 2024. Please be responsible for professional visitors and exhibitors at home and abroad, and maintain the good image and order of the exhibition.

7.4 Responsibilities and Insurance

7.4.1 Responsibilities

- a) If the organizers are claimed compensation for the reason of the Exhibitor and the reason relevant to the exhibiting of the Exhibitor, the Exhibitor should make a compensation for the loss of the former.
- b) The organizers are not responsible for the direct or indirect loss or damage incurred to the Exhibitor, his EAC, Agent and employees and to their properties for the reason of the Exhibition.
- c) Should the Exhibition be canceled or suspended due to force majeure, or the holding of the exhibition cannot be realized at the scheduled time and place due to circumstances beyond the control of the organizers, the organizers shall not be responsible for the loss, damage, delay, or cancellation and has no liability to pay any refund.
- d) The Exhibitor Information shown on the Exhibition Catalogue is provided by the Exhibitor himself online as explained in Section 4 of this Manual. The organizers are not responsible for any mistakes or omission of information in the Catalogue.
- e) The Exhibitor shall be responsible for the insurance for his exhibits, booth and employees, and for the human injury and property loss. The organizers assume neither financial nor legal liability for any risks concerning the Exhibitor, the Visitors and their personal belongings.
- f) The organizers bear no responsibility for the loss or disputes incurred to the Exhibitor by employing a self-appointed service provider.
- g) The organizers are not responsible for any loss, damage or delay in Exhibits Freightling (including freightling, carrying and customs clearance). The Exhibitor is advised to have the transportation of

exhibits fully covered by insurance.

- h) The Exhibitor assumes compensation liability for the damage to the facilities of the Exhibition Venue caused by the Exhibitor and his Agent.

7.4.2 Insurance:

- a) The organizers have placed insurance for the Exhibition Venue and its facilities.
- b) The Exhibitor should buy liability insurance against any economic loss, compensation or personnel injuries incurred to the organizers, the Agent and his staff caused by the Exhibitor.
- c) To safeguard the interests of the Exhibitor, the Exhibitor shall arrange insurance for his staff, exhibits, valuable furniture and things in the booth, and for a third party.
- d) The Exhibitor shall require his EAC to buy Exhibition Liability Insurance, in which custom-built exhibitors and contractors are set up as insurer, should cover responsibility of venue, employees and the third party, and is valid for the period of booth move-in, the 3-day exhibition and the booth move-out. The guarantee accumulative amount and other requirements shall be carried out in accordance with the relevant regulations of the NECC(Shanghai). Please refer to the "[Exhibition Hall Regulations](#)" in the "Custom-built Construction Services" on the official website of FIC to protect the rights and personal safety of exhibitors and construction personnel.

7.5 Construction of custom-built booth and machinery booth

- 7.5.1 Inspection of custom-built booth design plan and Order of electricity, gas, water and fees payment:** The Exhibitor (or his EAC) of custom-built booth shall submit to the organizers the booth design plan for approval online before Feb. 20, 2024. When it is approved, a "Design Plan Confirmation Notice" will be issued. Then the Exhibitor shall pay construction management fee, power fee and trash deposit to the Official Contractor before he can get the "Construction Permit" from NECC(Shanghai). The price in this manual (See attachment 6 for detailed) is order price. **Surcharge of 50% will be asked in later order (Feb.21-Mar. 18, 2024). Surcharge of 100% will be asked in order on Mar. 19. On-site cancellations are non-refundable, and existing orders cannot be exchanged for equivalent services or goods.**

Construction procedures such as the construction personnel certificates and vehicle certificates can not be handled if custom-built booth design plan and payment are not completed.

- 7.5.2 If the Exhibitor wants to build the booth with aluminum profile, the construction can only be carried out by the Official Contractor.**
- 7.5.3 Official Contractor:** AFU EXPO (Shanghai) SERVICES Co., Ltd. is the appointed Official Contractor for FIC2024 Overseas Pavilion. Please refer to page 2 of this Manual for contact information. We highly suggest that the Exhibitor who has booked custom-built booth delegate the Official Contractor for booth design and construction, so that the interests of the Exhibitor can be better defended.

- 7.5.4 To protect the environment, we sincerely encourage the use of environmentally-friendly construction materials.** To cut pollution, we suggest that the Exhibitor would use standard aluminum materials for construction, or build custom-built booth using standard facilities (materials used for building a package booth). This can not only protect the environment, but also display the company in a personalized way and cut the cost of construction. Custom-built booth using standard facilities is the booth being built with big-square aluminum materials, the height being increased to the limit of 4 meters and the color of decorations being decided by the Exhibitor himself. The construction of custom-built booth using standard facilities must be carried out by the Official Contractor AFU EXPO, and shall in no way be carried out by an EAC. You can find more detailed custom-built design plan

and booth change plan on [Package booth and its alteration construction service](#). Please contact AFU EXPO for further information if you'd like to contribute to a greener planet and to cut cost. Please rent water, total electricity and other related facilities on [AFU EXPO Platform](#) before Feb. 20, 2024

7.5.5 EAC: The Exhibitor can appoint his own contractor, but please make sure that you choose a qualified one to ensure safety. Please transfer the manual and advise them to study the specific regulations online. Please rent water, electricity and other related facilities on [AFU EXPO Platform](#) before Feb. 20, 2024. The Exhibitor and his EAC please go through all the procedures for real-name authentication, before the EAC is allowed into the hall for construction.

7.5.6 Regulations on design and construction of custom-built booth and machinery booth

- a) The stipulations set by NECC(Shanghai) and the organizers must be complied with while designing and building the booth.
- b) The Exhibitor shall sign agreement with his EAC on fire-control, safety protection and insurance, requiring the EAC to abide by the relevant (fire-control and safety) regulations of the Exhibition and buy insurance for its staff engaging in construction. The Exhibitor and his EAC must accept full responsibility for the fire-control and safety of booth construction, and assume insurance liability.

c) Double-storey construction is prohibited within the space.

d) **Structural strength of booth design:** the design should be strong and stable enough to match the loading capacity of the booth. The thickness of the single wall of the three open booths shall not be less than 30 cm, and comply with the relevant national fire regulations.

e) **Height & width limit:** the maximum height of the booth is 4 meters. **The booth shall not exceed 4 meters in height** and no construction material shall go beyond the floor space both horizontally and vertically.

f) **Capping:** top structure shall not exceed 40% of the total booth area, and there should be no all-closed structure in the booth (including storeroom, the inner walls of which have to be painted with fire retardant coating). If a semi-closed exhibiting area is larger than 160 sqm, there should be no less than 2 emergency exits with the width not less than 0.9 meters, and fire extinguisher that has passed annual inspection should be equipped.

g) Regulations on the use of electricity:

The electrical circuits and equipment used by exhibitors should comply with the safety and fire protection regulations of the Exhibition Hall. Please find details on [Exhibition Hall Regulations: Construction safety management and fire safety management regulations of NECC\(Shanghai\)](#). **The booth must use smart safety electric box as the first-level electric box for electricity consumption.** Power electricity and lighting electricity must be separated and connected to the corresponding smart safety electric box. If any added electricity service items of standard booths and custom-built booths, exhibitors need apply in advance or at the contractor on site. People who work on electricity shall have Electrician Certificate issued by relevant technical supervision department and should bring along the Certificate for NECC(Shanghai)'s inspection. People who do not have an Electrician Certificate are not allowed to work on electricity installation; once found out, a fine of RMB 500 will be deducted from the trash deposit.

Any exhibitors, contractors or individuals shall not operate any electrical devices fixed to the Venue unless approved or granted by NECC(Shanghai). If found out, they will be asked to stop construction or electrical supply will be cut off. For every violation of this rule, a fine of RMB 500 will be deducted from the trash deposit and the violator will be held accountable for the loss incurred. **Each custom-built booth must rent fire protection unit from the Business Center of the Exhibition Hall.**

h) **Regulations on temporary camera installation on NECC Shanghai.** The monitoring range of the custom-built booths must be fully covered, including 2 sets below 36m², 3 sets from 37-72m², 4 sets from 73-108m², and 5 sets above 109m². The pavilion offers temporary camera rental and provide platform access to your own device(hereafter BYOD). Rental price: 75 RMB/set, networking & commissioning fee 25 RMB/set, and deposit is 200 RMB/set. BYOD must be continuously powered for recording during the power outage of the booth, meet the storage space required for continuous shooting throughout the exhibition period (128G), and meet the interface required for the access

platform. It is recommended to use the same type of products of Hikang Fluorite EB3, interface standards: Hikang IPC connection document, Hikang NVR connection document, Hikang binocular IPC connection document, platform third-party connection API interface document.

You need to contact the NECC for interface docking before March 17, 2024, in order to connect interface in time and to ensure that monitoring data can be uploaded to the platform normally for thoes BYOD. Fees: 50RMB/Set. Contact Manager Yu by 13052582233.

Installation notice: The installation height is more than 2.5m. Service Points: Gate 4 of Hall 4.1 for exhibitors of Hall 3 and Hall4.1. Gate 4 of Hall6.1 for exhibitors of Hall 5.1 and Hall6.1. Gate 4 of Hall8.1 for exhibitors of Hall 7.1 and Hall8.1.

- i) According to the fire-control regulations of the Exhibition Venue, **wire used in the booth should be wrapped by protection tube, and the back of the panels should be painted with fire retardant coating and then covered by white cloth or white board before being installed.** All finishing materials should be covered, and no character, picture or logo should appear on the side of the partition wall facing to the adjacent booth. Otherwise, the Exhibitor would be required to make adjustments, and if rejected, power will be cut off and RMB 3,000 will be deducted from the trash deposit as a fine. The Exhibitor who violates this regulation will not be allowed to apply for a custom-built booth and the EAC will be listed as a violator and will not be allowed to serve at FIC in the future.
- j) **Plastering, polishing and large-scale painting are not allowed in the Exhibition Venue.** To protect the environment, and to ensure construction safety and good air quality of the Venue, the plastering, polishing and painting must be done in the plant and shall not be carried out in the exhibition hall. Only minor- repairing work is allowed to fix the chips caused in transportation. The Violation of this rule will result in a deduction of RMB 5,000 from the trash deposit as a fine.
- k) **Construction materials:** the materials used for building t'he booth should be non-flammable (**The fire rating of building materials shall not be lower than B1**). If wood, gauze or other flammable materials has to be used, it should go through fireproof treatment before it is brought into the Exhibition Venue. Wood materials should be coated with fire retardant materials, or covered by fireproof veneer. Cloth, gauze or other textile materials must be treated with fireproof solution. In the on-site burning test, if the material is burnt without open flame, it's then qualified. The staff of NECC(Shanghai) has the right to clear the unqualified materials out of the hall. Flammable materials without fireproof treatment are prohibited in the hall for construction.
The construction materials have to meet the following requirements: ① For some materials (for instance carpet), an authentic test report issued by a national-certified inspection department should be held; ② The materials brought into the hall should match the qualified sample, and the result of the on-site spot test should match that of the test report. The materials should reach fire-control safety level and an Inspection Certificate is needed for entrance. The structure and the materials used for construction should be stable and strong enough to ensure safety.
- l) **Air compressor:** The Exhibitor is not allowed to bring his own air compressor into the hall, as is stipulated by the hall owner.
- m) **Own furniture/flowers and plants into the Venue:** NECC(Shanghai) stipulates that furniture and flowers/plants are only allowed into the Venue with the "Permit of Self-owned Furniture and Flowers/Plants into the Hall" issued by the organizers, and these Furniture and Flowers/Plants can be only used within one's own booth.

7.5.7 Submission of design plan for inspection of custom-built booth and the relevant regulations

- a) **Inspection of booth design plan:** only when the design plan is approved by the organizers, can the EAC be issued a Construction Permit by the NECC(Shanghai) and allowed into the hall for construction.

Remarks: The organizers will only review the design plan according to the Regulations on Exhibiting. The Exhibitor and EAC should be responsible for the safety and fire-control issues concerning designing and construction, and should abide by the relevant regulations set forth by NECC(Shanghai) and in this Manual.

- b) **Requirements on submitting design plan:** Please submit your design plan to the organizers on "Custom-built booth design plan" before Feb. 20, 2024. Please find in the following chart the

materials need to be submitted and the requirements:

No.	Materials to be submitted	Requirements
1	Booth design plan	With the company chop of the Exhibitor; indicate booth number and length, width and height of the booth. The supporting point of the booth shall not press on the trench cover.
2	Front elevation & side elevation	Indicate height
3	Three-dimensional graph in color	Indicate what materials will be used. The fire rating of building materials shall not be lower than B1 and shall be clearly marked. If an LED screen is configured, indicate the location and area of the LED screen.
4	Bird's eye view	Indicate size.
5	Circuit diagram	Indicate the location of power box, water source and air compressor, the power capacity, and the materials to be used; indicate the adjacent booth numbers
6	A copy of the business license of the construction company	With company chop
7	A copy of the ID card of the person in charge from the construction company	Including the front and back of the ID card, stamped with the official seal of the constructor.
8	Registration form for custom-built booth construction and letter of safety commitment which can be downloaded under construction area at www.cfaa.cn	Please download in FIC website and fill in the form, sign and seal by both exhibitor and EAC.
9	A copy of insurance policy	The policy should cover the holder's booth before, in and after the show and against any economic loss, compensation or personnel injuries incurred within the booth.

c) Issuance of "Design Plan Confirmation Notice": once the design plan is approved, the organizers will issue a "Design Plan Confirmation Notice" to the EAC. EAC can get the "Deposit Receipt", "FIC2024 Truck Pass" and the "Permit of Self-owned Furniture and Flowers/Plants into the Hall" by it at official constructor - AFU EXPO.

The Exhibitor or EAC should pay construction management fee, power fee and the trash deposit before Feb. 20, 2024 to AFU EXPO. With the "Deposit Receipt" and the "Design Plan Confirmation Notice", the Exhibitor or EAC can go to the north gate of NECC(Shanghai) (the Card Center) to apply for Certificate of Personnel or Vehicle.

Please submit all the above-mentioned materials on the official website of www.cfaa.cn. If you have inquiries, please contact the person that in charge of each hall for help.

d) Once approved, the design plan cannot be changed, or else construction of the booth will not be allowed.

Hall	Contact person	Phone Number	QQ
3	Mr. Xue Ran	010-68396330-207	3376245307
4.1	Ms. Yang Hong	010-68396330-206	725390346

7.5.8 Safety regulations over operation of machinery

- a) The demonstration and operation of machinery shall not impede the exhibiting of adjacent exhibitors. The demonstration or operation that will cause noise or dust, or that is dangerous, harmful or is not appropriate for on-site displaying, or is reasonably complained by others, is subject to the regulation of the organizers, who shall request the withdrawal of the machinery or a proper adjustment. The loss or expense occurred shall be borne by the Exhibitor himself.
- b) The Exhibitor should ensure the safety of the demonstration or operation. Safety measures should be taken against any possible harm to visitors or other exhibitors.
- c) The demonstrating machinery must be controlled by a separate trigger device and should avoid the touch of a visitor or other unauthorized person.
- d) The Exhibitor must ensure that all demonstrating machinery be operated by a designated professional, and the machinery shall not be started without the supervision of that person.
- e) All working machinery must be fastened securely in case it slides to hurt visitors or staff.

Booking of electricity, water and air compressor by exhibitors of custom-built or machinery booths: According to NECC(Shanghai)stipulations, power for lighting and machinery use should not be mixed up. The power box must be fixed in place. All custom-built exhibitors please book electricity, water and air compressor from the Official Contractor by submitting on [AFU EXPO Platform](#) before Feb. 20(*FIC2024 Booth Construction & Reservation Form for Furniture, Electricity, Water and Air Compressor*) of this Manual together with the circuit diagram(indicate the location of electricity, water and air compressor, and adjacent booth numbers in order to show the opening of your booth) of your booth to AFU EXPO. As the electricity and water provided by the Exhibition Venue might not be located where you want them to be, the EAC might need to connect to the power box by himself, and bring bridge plate and an extra power box if needed. The power box cannot be placed in the passage, but only in one's own booth. **Payment of the above-mentioned items shall be effect before Feb. 20, 2024 to AFU EXPO. The Exhibitor should pay an extra 50% of the order price if paying on & after Feb. 21, 2024 and before Mar. 18; an extra of 100% if ordering on Mar. 19, 2024. If the order is canceled, no payment will be refunded.**

7.5.9 Trash Deposit: every custom-built exhibitor shall pay a deposit for trash to NECC(Shanghai). This fee is collected by AFU EXPO on NECC(Shanghai)s behalf. All of the deposit will be refunded and returned to the original paying bank account within **30** days after the show closing if all construction materials and trash are cleared out of the hall during the stipulated time and if there is no violation of exhibition rules during the whole process of exhibition. The invoice will be mailed within 45 days after show closing when exhibitors provide invoice information and recipients.

7.5.10 Price List for the Items Charged to Custom-built Exhibitors by NECC(Shanghai)

Item	Type of payment	Fees	Payment time, method and place & other specifications
Construction management fee	Payment	RMB 28/sq.m.	- Pay before Feb. 20, to AFU EXPO together with power fee. The invoice will be issued by AFU.
Trash deposit	Deposit	RMB 10,000 (space<36sq.m.) RMB 20,000 (space<72sq.m.) RMB 30,000 (space≧72sq.m.)	- Pay before Feb. 20 to AFU EXPO together with power fee. - You are not allowed to build the booth without paying the deposit - The deposit will be refunded in cash on site if you pay in cash or to your account 30 days after the show if you pay by T/T

Applied at the Card Center; the detailed procedure please refer to construction area at www.cfaa.cn - Please pay within 5 work days before move-in.
Loading Area	Deposit	For each truck:	- Every truck needs the "Pass" and "Truck Guide"

Pass Loading Area Truck Guide	& Payment	RMB 300 as deposit RMB 50 for Permit Certificate	for entering the loading area - The RMB 30+20 for the "Pass" is not refundable - Time for unloading/loading is 1.5h; RMB 100 will be deducted from the deposit for every extra half hour (counted as a half if less than a half) - Applied at the Card Center, NH of NECC(Shanghai)
Overtime work fee	Payment	RMB 1,000/booth/hr. RMB 2,000/booth/hr.	- 17:30 - 22:00, RMB 1,000/booth/hr - 22:00 - 08:00 the next day, RMB 2,000/booth/hr - Apply for working overtime before 15:00 that day; application after 15:00 will be charged an extra 50% by NECC(Shanghai) - Pay at the Organizers' Office, North Hall

Note: The above-mentioned fees are not included in the booth fee.

7.5.11 How to get Deposit Receipt and FIC2024 Truck Pass

EAC can get the "Deposit Receipt", "FIC2024 Truck Pass" and the "Permit of Self-owned Furniture and Flowers/Plants into the Hall" by "Design Plan Confirmation Notice" at official constructor - AFU EXPO. "FIC2024 Truck Pass(Machinery Pavilion)" will be mailed to exhibitors by organizers. Please queue up in specified parking area after entering according to the driving route on "FIC2024 Truck Pass"(Used in move-in and move-out). Upload and reload the truck by "Queuing Pass" obtained free in queuing area and "Loading Area Pass" & "Loading Area Truck Guide" obtained in certification Center of NH in advance.

7.5.12 How to get Permit of Construction Personnel and Truck Pass

EAC should go through real-name authentication by NECC(Shanghai) (<http://cc.neccsh.com>) before is allowed to carry out construction work in NECC(Shanghai).

A) Permit of Construction Personnel

Online application: Please upload the enterprise's business license, scanned copy of the letter of safety commitment, and the ID card photo of the owner of company, project leader of on-site construction, construction personnel, and fill in vehicle information, and apply for the construction personnel certificate and Truck Pass after approval and paying online. The person in charge of construction with their original ID card, order print and certificate (Design Plan Confirmation Notice, Truck pass or deposit, etc.) to the certification center to receive the personnel documents.

On-site application: the person in charge of construction who has passed the real-name authentication applies for the construction personnel pass at the certification center with the original ID card, the certificate issued by the organizers (deposit receipt, etc.) and the original ID card of all construction personnel.

Notice: Construction personnel certificate application company must be the same as the deposit sheet, otherwise the certificate will not be issued.

B) Loading Area Pass and Loading Area Truck Guide

Online application: EAC should go through real-name authentication by NECC(Shanghai) (<http://cc.neccsh.com>) before is allowed to carry out construction work in NECC(Shanghai). upload the enterprise's business license, real-name authentication form, and scanned copy of safety commitment letter. After passing the authentication, you can pay online for Loading Area Pass and get the Pass by ID card, copy of order form at certificate center.

On-site application:

People who apply the Pass should take the certificate as the following form.

Booth Type	Materials needed		Time and Address
Machinery Pavilion (Custom-built and standard booths) Exhibitors	FIC2024 Truck Pass Or Booth Confirmation Or Exhibitor Card	Vehicle information, annual inspection report, vehicle license, driver certificate, and copy of exhibition liability insurance policy.	Time:Mar. 10, 2024. Add.:Certificate Center at NH(2nd Floor of West Side). Tel:021-67008487
Custom-built Contractor	Trash Deposit after real-name authentication		
Exhibitors	Booth Confirmation Or Exhibitor Card		

C)Charging standard of Certificate Center: 30RMB/ Personnel Badge, valid for the booth move-in and

move-out.

Loading Area Pass and Loading Area Truck Guide: 50RMB/Vehicle/Badge and 300RMB for deposit. Valid for once for one day and 90mins.

Notice: Loading Area Pass and Loading Area Truck Guide are used together. If the pass is lost or damaged, you need to re-apply for the certificate. The deposit will not be returned. If the guide pass is lost, the deposit of 50RMB will be deducted. The remaining deposit will be returned to the payment account when paying online. The driver of the vehicle can get the deposit from certificate center when paid in cash.

7.5.13 Certificate of Special Operators: All enterprises that apply for the construction certificate of special operation personnel need to log in to "NECC (Shanghai) Enterprise Customer Online Self-service Platform" (platform website: <http://cc.necesh.com>) carry out the real-name authentication of the enterprise and the person in charge of construction. Upload the enterprise business license, real-name authentication form, scanned copy of safety commitment letter and ID card photo of the person in charge of construction. After passing the authentication, you can choose to apply online. Upload photos of special operation certificates issued by the state (electrician's certificate, aerial work certificate, welding certificate, forklift license and mobile crane driver's license are supported), and apply for special operation personnel construction certificate and pay online after approval. The applicant can get the certificate at the certification center with the original ID card and the printed copy of the order. Charge standard: 30 RMB/badge.

7.5.14 NECC(Shanghai) Safety Regulations on Construction

EAC should be aware of all the safety regulations on Construction set forth by NECC(Shanghai).

Please find Regulations on website [*Exhibition Hall Regulations*](#).

7.6 Package booth and its alteration

AFU EXPO is responsible for the building of all package booths in the Overseas Pavilion of FIC2024. Other construction companies or Exhibitor himself are not allowed to build the package booth or make any alterations to it. If some alteration needs to be made to the booth (for instance to increase the height or to add some decorations), the design and construction work have to be carried out by the Official Contractor. If you want to change package booth to custom-built booth, please apply to the organizers in advance to get an approval for change. Please note that booth smaller than 18 sq.m. is not allowed to be made a custom-built one.

7.6.1 The color of fascia board is pink with the words in white. The carpet is light blue.

7.6.2 Arrangements in the booth are decided by the Exhibitor himself, so please make good preparations in advance. Just some reminders: introduction to the company and products is better made in both English and Chinese concisely with the emphasis on product introduction. It would be the best if the pictures are bright-colored, clear and match the overall color of the Exhibition.

7.6.3 Alteration to the package booth has to be carried out by the Official Contractor AFU EXPO. If you want to increase the height, add some decorations or restructure your package booth, please contact AFU EXPO directly before **Feb. 20, 2024**. There are also some more choices that you can choose online to make alternative change for your standard booth. (For details, please visit [*Package booth and its alteration construction service*](#).)

7.6.4 Standard items we provide for package booth: please see [*Attachment 7*](#).

7.6.5 Furniture rental of package booth:

Besides the standard items provided by us, the Exhibitor can rent other furniture or facilities, for example, electricity for special uses, spotlight, light box, water, laminated panel, etc. from AFU EXPO. If you have extra needs, please rent water, electricity and other related facilities on [*AFU EXPO Platform*](#) before Feb. 20, 2024. When submitting the reservation form, please indicate the location of power source, the added spotlight and water, etc.; if you need to rent extra laminated panel, please indicate its location and its height above the floor. After payment, please email or fax the bank slip to AFU EXPO for payment check. Please apply for the exhibition equipment rental from the AFU EXPO before the booth move-in. The application may not be available on site after the booth move-in. Please go to the business center of the exhibition hall if you need additional furniture during the exhibition.

7.6.6 The do's and don'ts for package booth exhibitors

- a) Please don't dismantle the booth or alter the structure on your own. If you'd like to make any alterations to the booth, please contact AFU EXPO before **Feb. 20, 2024**. After all the proper procedures, AFU EXPO will be responsible for all the construction work. Standard booths are forbidden to use the back or side wall structure of adjacent booths as adhesive materials to achieve publicity purposes.
- b) The pictures cannot be stuck on the wall directly, but can be made into a panel and hung on the wall with a hook.
- c) The non-lighting electrical appliances brought into the hall by the Exhibitor (for example, TV, VCD and refrigerator, etc.) must be approved by the Official Contractor. Please do not use power installation whose electric circuit is incompatible with the one provided in the booth.
- d) If a wall blocks the fire hydrant or power cabinet, the very wall will be replaced by an active plate, a folding door or a white cloth curtain that can be removed easily at any time.

7.6.7 Regulations on package booth alteration & restructuring, fascia board, furniture and electricity:

- a) The structure of the booth and the fascia board cannot be changed unless the change is notified to the organizers, and then from the organizers to the Official Contractor.
- b) Please do not bring into hall booth building materials, lights, tables, chairs, cupboards or cabinets similar to the ones used by the Official Contractor. If you have to, please register at the Service Counter of AFU EXPO to declare ownership, otherwise the above-mentioned items will not be allowed to be taken out after the show. All furniture brought in by the exhibitors is not allowed to be fixed to the booth structure supplied by the Official Contractor in case there might be a collapse.
- c) Please do not paste or write anything on the panels or furniture provided by the Official Contractor, or drill holes in them. Please do not do damage to the panels or furniture, or else a compensation will be claimed by AFU EXPO according to the company stipulations.
- d) Please do not connect wires or use extra lighting without permission. The power socket rented cannot be used for lighting. Its capacity is 500 watts, so please don't use electrical equipment the power of which exceeds 500 watts. A plug board is not allowed to be used in a package booth. If the above-mentioned rules are violated, the organizers have the right to cut off the power and the rental will not be refunded. All the electrical appliances equipped in the booth cannot be dismantled or removed without permission.
- e) A separate power box has to be installed if the power exceeds 500 watts.
- f) The light box, panels, decorations cannot be stuck out of the booth to block the passage.

7.7 Policies adopted by the organizers towards violations of regulations:

- 7.7.1** If the international exhibitors who should participate in the international exhibition area participate in the domestic exhibition area, they must pay the full fees according to the international exhibition area charge standard, otherwise, the electricity transmission will be stopped.
- 7.7.2** If the Exhibitor violates any regulations set forth in this Manual, power supply will be cut off. The organizers will request adjustments; if rejected, the organizers will have to cancel the Exhibitor's participation in FIC2024. The booth fee will not be refunded, and the exhibits and promotional materials shall be moved out of the Exhibition Venue, otherwise will be detained provisionally by the security guard of the hall.
- 7.7.3** If a custom-built exhibitor violates any regulations, power supply will be cut off. If an EAC violates any regulations, he will be listed as a violator and will not be allowed to serve at FIC in the future. The deposit will be returned after deducting fines.
- 7.7.4** The Exhibitor will not be allowed to participate in FIC2024 if he violates any regulations set forth in this Manual.
- 7.7.5** If the custom-built booth is not built according to the design plan submitted to and approved by the organizers in terms of structure, size, materials, etc., the EAC will be listed as a violator and will not be allowed to serve at FIC in the future, and the trash deposit will not be refunded.

7.8 Technical Data and Height Limit NECC(Shanghai)

Hall	3	4.1	5.1	6.1	7.1	8.1
Freight Gate (m: width× height)	8×6.5					
Area (m ²)	26829	26193	26193	26867	26867	26193

Hall Height (m)	32	12	12	12	12	12
Booth Height Limit (m)	4	4	4	4	4	4
Loading Capacity (t/ m ²)	5	5	3.5	3.5	3.5	3.5
Lighting (LX)	300					
Transport method	The height of truck should not exceed 4.5m					

7.9 Booth cleaning

- 7.9.1** The Organize will arrange for basic cleaning of the passages and other public areas in the hall before the opening of the Exhibition, and before & after the show every day.
- 7.9.2** The Exhibitor should be responsible for the cleaning within the booth and is advised to keep the booth clean and tidy.
- 7.9.3** Please throw trash or waste into the waste sorting basket inside the booth or the public trash can in the hall. Every day after the show, you can put the waste basket in the passage outside of your booth, and the cleaner will help clean it.

8. Move-out Procedures

The Exhibitors must exhibit until 15:00, Mar. 22 2024. No Exhibitor is allowed to move out his exhibits before 15:00, Mar. 22. During the move-in, on-show and move-out period, someone must stay in the booth on the Exhibitor's behalf. The Exhibitor and EAC have to move all exhibits out of the Exhibition Venue before 21:00 on Mar. 22, 2024; otherwise, all that's left in the hall will be cleared out as trash after 21:00.

Move-out procedures:

Package booths and custom-built booths on the main passages shall move out first.

Machinery booths: to facilitate their move-out, a "FIC2024 Truck Pass" with a special mark will enjoy priority driving out.

Custom-built booths: please put down the exhibition appliances first, but please do not put them on the passages or near any gates. To avoid jam, please start moving out only when it's about your truck's turn.

9. Shipping Information

To assist exhibitors in forwarding exhibits, we've appointed JES Logistics Limited as our Official Freight Forwarder. Please see page 2 of this manual for the contact of JES for exhibits forwarding. Please refer to [Attachment 2 \(Overseas Shipping Information\)](#) and [Domestic Shipping](#) for details.

10. Catering Stipulations and Supply

1. To ensure food safety, NECC(Shanghai) stipulates that all external food (including the food by non-designated fast-food companies) is not allowed into the Exhibition Venue. During the show time, exhibitors can buy food at the Food Court (location and ordering information to be notified) where Chinese, Western and Halal fast food will be served.

Please do not eat in the booths to show good company image and respect to visitors and to maintain a good environment for exhibiting. Staff can take turns to eat at the public catering service area.

2. Plant Rent:

Shenghao Gardening; contact person: Li An, Tel:15618826886, locate at Gate 21, near Hall5.1, 0m level of West Platform.

Yingxin Flowers and Plants: contact person: Manager Huang, Tel:13501611091, locate near back door of NH, 0m level of NECC(Shanghai).

3. Business Center: Add.: back door of NH at 0m level. (left escalator at Central Plaza), Nearby Gate 4 of Hall 4.1, Nearby Gate 19 of Hall 2.1, Gate 4 of Hall 6.1.

11. Inviting Professional Visitors and Sending Invitations

11.1 Business invitation application for overseas exhibitors and visitors can be visit by Visit-Invitation Letter.

11.2 Way of visiting: admission is free for professional visitors (after real-name registration); not open to children.

11.3 How to get registered:

Pre-registration: there are three ways for you to get registered for mailed Visitor Badge

- A) Log on our website: Pre-registration;
- B) Follow CFAA official wechat account on the cover of this Manual;
- C) Download and register FIC App or FIC Applet.
- D) Obtain visitor badge by scanning on site.

11.4 Invitations: to strengthen publicity and to attract more professional visitors and buyers, we have made English & Chinese bilingual invitations and visitor tickets. We will send these invitations to professional visitors at both home and abroad in Jan., 2024 to welcome them to come and visit FIC2024

11.5 Inviting for Chinese Clients: we will send electronic invitations to you for inviting clients to FIC in Jan., 2024. You can contact the organizers for more or for e-letters.

11.6 Services for overseas professional visitors: To help you invite foreign visitors, Business invitation application for overseas exhibitors and visitors can be visit by Visit-Invitation Letter.

12. Academic Conferences and Technical Seminars

12.1 Submission and approval of academic papers

12.1.1 Submission: any exhibitors who are interested in submitting an academic paper, please email the Attachment 5 to cfaa202110@126.com before Jan. 5, 2024 and send content (Format: word) to cfaa202110@126.com before Jan. 31, 2024 for approval. Please note the subject of your email as "FIC2024 Academic Paper". Contact number is 010-59070332, Xuchen and Li Zhen.

12.1.2 Approval & Requirements: the academic papers will be approved by CFAA; once selected, they will be published free of charge on *FIC2024 Academic Papers*. If the academic paper is approved, the organizers will inform the author through email. Contacts: Ms. Xu Chen, Li Zhen.

12.2 Academic conferences and technical seminars

During FIC2024, we'll continue to hold academic conference and technical seminars, and we'll publish *FIC2024 Academic Papers*.

The academic conference will discuss the latest research findings and the rules and standards of both home and abroad. The organizers will invite experts and scholars to deliver speeches.

The technical seminars are held by exhibitors to publicize their products or techniques and open for application. The price for each session of the seminar is RMB 10,000. Each session lasts for three hours at most.

12.3 Time and location

12.3.1 Time:

Technical seminars: 09:15-12:00, 13:30 – 16:30, Mar. 20 and Mar. 21, 2024;
Paid broadband network and video conference are provided in meeting room.

12.3.2 Location: Meeting Rooms at NECC(Shanghai)

12.4 Submission and approval of applications for technical seminars

A) Submission: any exhibitors who are interested in holding a technical seminar, please log on [website user login](#) and send your application online before Jan. 5, 2024. Contact Person: Yu xueying, Tel: 010-68396469, Fax: 010-68396422.

12.4.1 Approval & requirements:

B) Please refer to [Attachment 4](#) for details.

C) You will receive a confirmation message after application.

D) Once your application is approved, we'll contact you to choose a conference room. d) Managerial experience on the production of food ingredients and additives in the world;

e) The regulations, standards and management of food ingredients and additives in the world;

f) Analysis, forecast of the industry trend and recommendations;

g) Other papers on food ingredients and additives, or on equipment and food testing, etc.;

h) Development trend on food and beverage in the world and the research and paper on market of food ingredients and additives.

13. Promotion

13.1 Exhibitor Highlights: To help publicity for new products & techniques: while filling out your company information online by clicking spotlight button, please highlight your new products or techniques, especially the ones that have filled the gap of the Chinese market or are world-leading. This information will be selected and publicized on various occasions before the show, such as news media, FIC official website and promotional brochures.

13.2 Website publicity: to better publicize the food additives and ingredients industry and FIC, and to help with before-show publicity of exhibitors, we have put all our exhibitors' information on [Exhibitor Search](#) for free publicity.

13.3 CFAA Official Wechat Account: to increase publicity of FIC, and to facilitate exchanges between the organizers, the exhibitors and professional visitors, CFAA have initiated Wechat Official Account to release FIC news, show programs, exhibitor information and visitor pre-registration information, etc. Please follow us on Wechat by scanning the QR code to get the latest news and information about FIC.

13.4 FIC Mini Programs and Mobile App: To better promote the exhibition and service exhibitors, we have initiated the FIC Mini Programs, and FIC APP. Users can scan the QR code to download FIC app, and real-time search exhibitors and exhibits information, exhibition activities, exhibition hall and booth location, FIC navigation, transportation and hotel reservation information and other expo-related information.

13.5 Professional media publicity: The organizers will publicize FIC and the industry on various professional media at both home and abroad.

13.6 Preparation of materials by exhibitors

13.6.1 Company and product profile shall be in both Chinese and English: as we are having more and more professional visitors from overseas, to facilitate the visiting of them, we highly recommend that the company names appeared on the fascia board and the product profiles be in both Chinese and

English. We have appointed *Talking China* as our Translation & Interpreting service provider. If you need this service, please refer to [Attachment 6](#) for details.

- 13.6.2 Materials preparation:** according to past experiences, we may expect many visitors from both home and abroad, so exhibitors should bring enough promotional materials with you.

14. Advertising

- 14.1 Directory or the Official Exhibition Catalogue(bilingual) advertising & company logo/trade mark advertising:** 6,000 copies of the Catalogue will be printed and distributed to exhibitors. The deadline of advertisement application is Feb. 6, 2024.
- 14.2 Fair Bulletin (Chinese, 4 colors)advertising:**20,000 copies will be printed and sent to food producers and professional visitors in mainland China before the show The Bulletin is 210mm×285mm large. The deadline of advertisement application is Jan. 15, 2024.
- 14.3 Show Daily (Chinese, 4 colors) advertising:** two editions will be issued with each one being printed 20,000 copies and distributed to visitors free of charge on the first and second day of the show respectively. The deadline of advertisement application is Feb. 6, 2024.
Please send a fax of [Attachment 1](#) to exhibition office, and email to st6@126.com, and pay to the designated account.
- 14.4 Badge lanyard:** Exhibitors can price company logo or slogan is on the lanyard of a Visitor Badge.Please apply before Jan. 10, 2024.
- 14.5 Advertisement on visitor ticket and invitation:** Please apply before Jan. 15, 2024.
- 14.6 Advertisement on canvas bag and computer backpack:** Please apply before Jan. 15, 2024.
- 14.7 Advertisement on FIC official website:** the banner can be kept for one year so that you can still publicize your company after the show. Please send the advertisement to cfaa1990@126.com, and pay the fees to the exhibition account. The price can be referred to [Attachment 1](#).
- 14.8 On-site advertising:** to assist exhibitors in on-site publicity, we have several designated places where exhibitors can place advertisement. Please refer to [Attachment 1](#) or our website for detailed information.

15. Exhibitor Badge and Official Exhibition Catalogue Issuance

15.1 Getting the Exhibitor Badge and the Official Exhibition Catalogue:

Time: 14:00-17:00, Mar. 17, 2024

9:00-17:00, Mar. 18, 2024

9:00-17:00, Mar. 19, 2024

Address: Organizers' office at NH of of NECC(Shanghai).

- 15.2 How to apply and use Exhibition Badge:** Exhibitors are required to fill in their real name information on [Exhibitor Registration](#) before [Mar. 6, 2024](#), and obtain the badges on site. If there are more people on site, they need to register and enter the hall by swiping the ID card and face recognition (or check the passport and identity manually). No admission is allowed if they do not have their real name authentication. Overseas exhibitors complete real-name registration by submit information of Exit-Entry Permit for Travelling to and from Hong Kong and Macao, Mainland Travel Permit for Taiwan Residents, and passports, and enter the exhibition hall by following the on-site admission procedures with badges.
- 15.3 Quantity of Official Exhibition Catalogue and other materials:** one free copy for booth smaller than 18 sq.m. (≤ 18); two free copies for booth larger than 18 sq.m. (> 18). Move-out Notice and FIC 2024 relative materials.

16. Hotel & Travel Services

To meet the accommodation, need of exhibitors and professional visitors, and to provide better hospitality services, we have appointed Shanghai Jiecheng Holiday Travel Service Co., Ltd. as our official agent for hotels & travel. They will be responsible for hotel booking and reception. Please refer to [Attachment 3](#) for details.

- 境外展品如需在国内进行检疫熏蒸及消毒费用按报实销.
The cost of quarantine treatment such as fumigation and disinfection will be collected as per actual expenses.
- 申请食品添加剂检验报告(如需), 时间约14个工作日. 检验费用将实报实销.
Application of food ingredients for testing (if required) takes 14 working days. The cost of testing fee will be billed according to actual expenses.
- i. 境外展品留购或申请转关函手续费用, 以便按其服务要求个别的安排及报价.
Sold / donated goods in Shanghai or preparation of customs envelope for freight transfer to / from other exhibition (if required) an individual handling charges will be given upon request.
- j. 展品从香港提货至上海货运费用如需, 可向我司索取有关服务的报价.
Cargo pick up in Hong Kong (if required) an individual handling charges will be given upon request.

D. 回程费率

FREIGHT HANDLING TARIFF - RETURN MOVEMENT

回程与来程收费相同

Same as inward movement above with reversed services.

如需开具体的人民币发票, 所有上述收费项目须相应加收 6% 增值税.

All above service charge will be plus 6% for VAT RMB invoice. (where applicable)

E1. 货物熏蒸 FUMIGATION

所有木质包装货物 (如木箱、木托盘、木架) 必须要熏蒸. 箱外要有以下标记 All cargo containing wood packaging materials (e.g. crates, pallets, frames) must be fumigated. Please make sure the following information must be stamped on the outside packing.

- | | |
|--|---|
| ■ <国际植物保护公约> 英文缩写 IPPC 印记 | IPPC logo () |
| ■ 国际标准化组织 (ISO) 规定的 2 个字母国家编号 | ISO country code (XX) |
| ■ 输出国家或地区官方植物检疫机构
批准的木质包装生产企业编号 | License no. assigned to
the company that fumigated |
| ■ 确应的检疫除害处理方法, 如溴甲烷熏蒸为 MB,
而热处理为 HT | Fumigation method
HT or MB treatment used |

熏蒸标记 SAMPLE OF MARKING

Where:
 IPPC - Abbreviation of "International Plant Protection Convention";
 XX - International Standardization Organization (ISO) two letter country code;
 000 - Wood packing producing enterprise code approved by official plant quarantine authorizations in export countries or territories;
 YY - The phytosanitary treatment measures, Methyl Bromide Fumigating - MB, Heat Treatment - HT

E2. 海关查验 CUSTOMS INSPECTION

上海海关规定所有展品必需在展馆现场开箱查验, 查验时如发现装箱清单与货物不符, 货物将会被海关扣留或没收而不能如时送到展台, 所有责任由参展商自负. 按海关查验科的要求, 所有展品装箱清单必须填写准确货物名称, 机械品牌, 型号, 机身编号及其组装配件和件数, 均须如实申报. 为方便海关现场查验, 所有机械展品必需提供说明书及其组装配件的相片附装箱清单(表格 B). The Shanghai customs are strict and through in their inspection of goods. All packages can be expected to be opened and contents checked against the List of Exhibits (Form B). Exhibitors must provide us with the brand name, model number, serial number of machine and quantity of equipment / parts in the List of Exhibits form. Please ensure that the brand name, model number or serial number can be found on the machine and equipment itself to facilitate customs inspection. In order to obtain early release of goods from customs, machine catalogues or photo of equipment / parts must be attached with List of Exhibits.

E3. 宣传资料及小礼品 CATALOGUES AND PUBLICITY MATERIALS - CENSORING

产品目录及小礼品, 例如: 原子笔, 钥匙圈, 宣传资料等等.. 此类物品若在展览会期间散发必须由中国海关审核其数量及价值或征税后才可派发. 请展商提交 2 份各项散发样品供海关审查. 海关审查费 US\$25.00 / 项 / 展商. 严禁光盘, 记忆棒与杂志进口作展览用途, 须申领特别许可证. Brochures and souvenirs items are permitted entry into China giveaways e.g., souvenir (i.e., pens, key chains, note pads etc.) with reasonable quantities and low value may be duty-exempted. It is, however, subject to China customs approval. Therefore, all exhibitors should prepare an envelope containing 2 samples of each giveaway items for censoring. Customs censorship handling charges US\$25.00 per item / exhibitor. Please do not send CDR, USB and magazine to the exhibition, as special permit is required.

E4. 展品包装, 现场开箱或装箱 PACKING, UNPACKING OR REPACKING ON-SITE

由于在运输途中所有展品将经过多次装卸, 开箱查验和展览会后重新包装, 馆外或货场暂存. 因此包装箱必须要结实以便保护展品不会破损以及雨淋. 展品可使用结实木箱或铝箱包装并适合反复装卸, 纸板箱不适宜长途运输. 所有包装箱内须有防水, 防潮或真空包装并在箱外注明易碎展品包及注明向上防压标志. 在进出馆期间, 我司会协助参展商开箱就位及会后装箱等服务. 请参展商安排有关人员现场督导回运装箱, 对于包装箱已经破损, 残旧或无包装材料的回运展品, 如货物发生破损, 短缺, 丢失等情况, 参展商应对该操作负有全责. 无包装的回运展品如非由整体装集装箱载运, 我司不会安排配载. Please ensure your equipment is packed in a strong, waterproof packing case which lends itself to being re-packed after the exhibition. Please bear in mind that your exhibits will be in transit for long periods both to and from the exhibition and that cartons are not suitable to withstand the constant handling which takes place during transshipment. Shocking and bumping will sometimes be inevitable and cases may be placed in open air storage without cover, therefore exhibitors must take the necessary precautions against damage and rain. We will assist in physical unpacking and installation of exhibits; however, exhibitors must supervise and be responsible for those operations. Similarly, during exhibition closing, exhibitors must also supervise the dismantling and repacking of exhibits, especially for delicate or heavy equipment. When exhibits are repacked with used packing materials, the packing is regarded as no longer suitable to protect the contents against damage and or moisture compared with the original. Exhibitors should therefore bear the responsibility for any consequences arising therefrom. We will not arrange stowage for no packaging of the return exhibits if not by the full container load.

E5. 超重或超大件展品 HEAVY AND OVERSIZES EXHIBITS

有重型展品及单一体积超过 1000 公斤或 5 立方米及其需用汽车吊和铲车在展场组装的展品之展商须及早到达展场, 以便指导重型展品的拆箱和就位. 如需用汽车吊和铲车来对这些超重或超大件展品的拆箱就位和安放, 展商必须提前与我们联系及提供详细的超重或超大件展品示意图以便我司展场操作. 展商如有需要, 可向我司索取有关服务的报价. This applies to any single exhibit in excess of 1000 kgs and 5 cbm, that requires the use of a forklift or mobile crane for installation. Exhibitors with heavy and oversized exhibits must be on-site early to direct the operation of unpacking and positioning. If a mobile crane or forklift is required for installation of equipment, exhibitors should send your requirement to us as early as possible so that we could arrange contracting such equipment in advance. A quote will be given after receiving your enquiry.

E6. 回运展品 RE-EXPORT

在展览会闭幕前, 我司会派发展品回运委托书给各参展商填写展品回运方式. 复出口的海关及检验检疫手续至少需要 14 个工作天的时间. 如有任何急需回运或转展的展品, 请参展商务必事先向我司提供相应运输时间和特别的安排. 若不按照此程序, 我们只能于展览会结束后办理. Disposal and forwarding instructions will be discussed with you during the course of exhibition. Re-export formalities will require at least 14 working days. Therefore, please do not make any plan on receiving the exhibits soon after the exhibition. We hold no liability for when the exhibits would be back to the desired final destination after the exhibition closes. If you need the exhibits to be re-exported urgently or transfer to other exhibitions, please contact our on-site representative of your request as applicable.

E7. ATA 单证册 ATA CARNET

展品临时进口中国可用 ATA 单证册. 但展品不能在中国出售或留购, 必须在展览会闭幕后原数复出. ATA 进出口单证报关费 US\$450.00 每运次. To co-ordinate the complete process of temporary import by ATA Carnet is US\$450.00 per transaction. Please note that ATA Carnet shipment must be re-exported after closure of the exhibition, it cannot be sold.

E8. 留购展品程序 SOLD CARGO PROCEDURE

展馆为海关监管场地，所有展品必须得到海关许可，才可移离展馆。展商如欲将展品留购，可通过大会指定运输代理向海关申请暂存保税仓，以便办理有关正式永久性的进口手续，限期为 30 天。如遇特殊情况，并得海关同意，可作申请延期。如未能在限期完成，有关展品必须复运出口。在申请手续期间，所产生之费用，如移离货品到保税仓运费，仓存费，有关课税，展商须要自行承担。如有需要，展商须提供有关销售合同，以便海关计算税值。The exhibition venue is a custom bonded area and no cargoes may be removed without the permission of Chinese Customs. For sold cargoes, the exhibitor is allowed to sign contract and sell cargoes during or after the show. It is, however, subject to Customs approval. The exhibitor will have 30 days from the date of the show end to find out the buyer or complete the transaction. After this deadline, the shipments have to be re-exported out of China unless there is an extension permit from authorized organization. Sold cargoes will not be released until all taxes and customs fees have been paid by your buyer. It is likely that your exhibits will need to be repacked and removed to the customs bonded warehouse until all necessary domestic customs formalities have been finalized. Sold cargoes pending for import license will be delivered to the customs bonded warehouse. All charges will be for the exhibitor account. A sales contract is required by the Customs in order to calculate duties / taxes if any.

E9. 保险 INSURANCE

我司的货运收费是以展品的体积或重量收取，而不是按展品的价值来计算。因此，所收取的费用不含保险费在内。为维护参展商权益，展商应自行购买展品的全程保险（建议通过由中国人民保险公司为代理的保险公司办理保险），包括展期内保险及责任事故的保险。展商请备妥保险合同正本或其副本，以备可能在展览会现场发现短少，残损时申报检验之用。Please note that our freight charges do not include insurance coverage and all work is undertaken by JES at owner's risk. Exhibitors are suggested to arrange a proper round-trip all-risks insurance for their exhibits (including exhibition period), preferably through a company of which the People's Insurance Company of China is the agent in China. For routing of shipments, it is advisable to cover insurance both by air and surface (sea / road), as there is a possibility of returning exhibits back to the country of origin by either way. Exhibitors should also bring a copy of the insurance policy to China. It will be useful in case exhibitors require filing a claim for damage or loss in China.

E10. 付款条款 PAYMENT TERMS

使用金怡公司或其指定代理的展商，将会收到金怡公司或其指定代理的付款通知发票；没有通过金怡公司或其指定代理的展商，必须在展览结束前，付清全额费用。Companies using JES Logistics or its appointed agents will be invoiced by them for all services. Companies shipping other than by our offices or agents are advised that full payment must be received by us either on-site at the exhibition or in Hong Kong before the close of the exhibition.

F. 注意事项 IMPORTANT NOTES

1. 展览会布展进出馆日期按主办单位最后通知为准，布展日期如有所调动将可能不再另行通知。确切运输路线视乎当时可适用的运输情况下为准。The exact move-in / move-out schedule is subject to the Organizer's final arrangement and subject to change with or without prior notice. The exact routing is subject to availability.
2. 货物转展，展商需要预先向我司提供相应运输时间和安排。因所有转展或回运展品只能在完成海关清关及检验检疫手续后约 14 个工作天的时间。All return shipments will only be arranged when all customs clearance procedures are completed and all exhibits handed over to us. As the demand for transportation facilities in China is great, exhibitors must not make any plan on receiving exhibits soon after the exhibition, since it may take over 14 working days for re-export.
3. 建议参展商不要把境外展品船运拼箱 (LCL) 发运到上海码头，因清关时间与商检查验会比较长及手续烦覆。海运拼箱须加收附加费 US\$90.00 / 立方米 / 展商。Exhibitors are not advised to send sea shipment by (LCL) to Shanghai directly. The customs clearance time is not predictable. Surcharge for LCL shipment is US\$90.00 / cbm.

4. 空运货体积、重量按 6:1 换算 (1 立方米 = 166.7公斤), 对于空运单的重量收费按择大计收. 海运、陆运货按 1 立方米或 1000 公斤收费, 按择大计收. The volume / weight ratio for air cargo is 6:1 (i.e. 1 cbm = 166.7 kgs). The chargeable weight is based on the volume weight or actual weight whichever yields the greater. The charges for sea / land cargo is based on 1 cbm or 1000 kgs whichever yields the greater.
5. 无外包装展品将在可以接受运载的情况下则需另加收 20% 的额外附加费. 对无外包装的展品如发现短少或残损, 金怡公司及其代理对此将不负任何责任. Unpacked cargo – there will be a 20% surcharge for handling unpacked cargo. JES Logistics or its appointed agents will not be liable for any loss or damage.
6. 所有境外展品的往返空运或海运提单运费, 必需 "运费预付", 若由我司代垫付运费后, 将收取 10% 作为附加费用. All cargo must be sent with Freight Prepaid for inward movement a 10% surcharge will be imposed for any shipment sent with Freight Collect.
7. 如展品属于危险品, 将在可以接受运载的情况下则需另加收 100% 的额外附加费. Dangerous goods - there is a 100% surcharge will be levied and the carriers will only accept dangerous cargo subject to availability.
8. 大件展品如需用吊机摆放就位, 展商需要向我司提供相应细节及就位图以便操作. 租用起重设备的价格将视乎当时可适用工具的要求报价. Companies requiring assembling or lifting equipment for erection of exhibits (positioning is included in the basic price) are asked to contact us as soon as possible with details of their requirements. Prices for hiring equipment will then be quoted subject to availability.
9. 对于进馆的展品, 可能有一段时间之间展品运送到展台与展商到达展台的时间会有时间差别. 类似的情况, 对于出馆的展品, 有可能展商完成了展品包装但是我司或其分包商不能马上到展台上收货. 在这种情况下, 而展商先行离去, 展品将留在展台无人看管. 发生破损、短缺、丢失等情况, 我司及其分包商将不会承担任何责任, 或者展品送到展台后发生损坏、短缺, 也不是我司及其分包商所承担的责任. 因此, 在展台接货的时候, 我司或其分包商将核对展商提交的装运清单与实际展品是否有差异. Relative to inbound shipments, there may be a lapse of time between the delivery of shipment(s) to the booth and the arrival of the Exhibitor's representative at the booth. Similarly, relative to out-going shipment(s), it is possible that there will be a lapse of time between the completion of packing and the actual pick up of freight from the booth for loading onto a carrier. It is understood that during such times the shipment(s) will be left in the booth unattended. Therefore, it is agreed that the Company and its sub-contractors are not liable for the loss of disappearance of, or damage to Exhibitor's freight after the same has been delivered to Exhibitor's booth, nor are the Company and its sub-contractors liable for Exhibitor's freight before it is picked up from the Exhibitor's booth for loading after the show. Consequently, all bills of lading covering outgoing shipment(s) submitted to the Company or its sub-contractors by Exhibitor will be checked at the time of pick up from the booth and corrected where discrepancies exist.
10. 我司的货运收费是以展品的体积或重量收取, 而不是按展品的价值来计算. 因此所收取的费用不含保险费在内, 为维护参展商权益, 展商应自行购买展品的全程保险 (建议通过由中国人民保险公司为代理的保险公司办理保险) 包括展期内保险及责任事故的保险. 展商请备妥保险合同正本或其副本以备可能在展览会现场发现短少或残损时申报检验之用. Please note that our freight charges do not include insurance coverage and all work is undertaken by JES at owner's risk. Exhibitors are suggested to arrange a proper round-trip all-risks insurance for their exhibits (including exhibition period), preferably through a company of which the People's Insurance Company of China is the agent in China. For routing of shipments, it is advisable to cover insurance both by air and surface (sea / land), as there is a possibility of returning exhibits back to the country of origin by either way. Exhibitors should also bring a copy of the insurance

policy to China. It will be useful in case exhibitors require filing a claim for damage or loss in China.

11. 所有费率在非我司控制的特殊因素影响而情况下, 将会有所调整, 汇率变动, 燃油涨价, 运费增加, 保险费增加等等. 任何上述以外的货运服务, 展商必须预先通知我司, 以便按其服务要求个别的安排及报价. Our fees and charges are subject to revision so as to reflect any increase in our costs caused by exchange rate variations, increased freight or fuel charges adjustments insurance premiums or increases of any other charges pertaining to the shipment of this consignment beyond the control of this company which come into effect after acceptance of your order and prior to delivery to the consignee. For additional services not listed above, an individual quotation will be given upon request.

12. 请各展商必须仔细阅读本运输指南并严格遵守上述各项条款. 我司所提供的一切服务和经营活动皆遵照金怡公司标准 营业贸易条款进行. 若要查阅我司标准营业贸易条款, 请登入 www.jes.com.hk 或备索. All business is transacted only in accordance with our standard trading conditions. Please visit our web-site www.jes.com.hk or contact us for the details.

20th - 22nd MARCH, 2024

BOOTH CONSTRUCTION SPECIFICATIONS

1) SHELL SCHEME BOOTH & RAW SPACE BOOTH: RENTAL OF ADDITIONAL FURNITURE, ELECTRICAL, AV & SOME COMMUNICATION ITEMS

In addition to items provided for the basic standard shell-scheme booth, AFU EXPO can also supply additional furniture / electrical / AV / communication items on rental basis. Should you need additional items, please study AFU EXPO's catalogue on following page and return **Form 4-1 & Form 4-2** to AFU EXPO directly before **Feb 20, 2024**. If you need to bring your own furniture and plants into the exhibition booth, must fill in the application **Form 5**. All late orders received after the deadline will subject to AFU EXPO's surcharge:

Order received on or after 21th February, 2024

50% surcharge

Order received on or after 19th March, 2024

100% surcharge

2) RAW SPACE EXHIBITORS

Raw Space Exhibitors can appoint AFU EXPO or their own contractors for stand building.

3) RAW SPACE BOOTH CONSTRUCTION HEIGHT LIMIT

The height limitation for booth construction $\leq 4.0M$.

4) HALL MANAGEMENT FEE & RUBBISH CLEANING/TRANSPORTATION DEPOSIT

All Raw Space Exhibitors or their appointed contractors have to pay a hall management fee of RMB 28.00/sqm & RMB10000.00-30000.00 for rubbish cleaning / transportation deposit.
Levied by the venue operator.

5) IMPORTANT NOTES

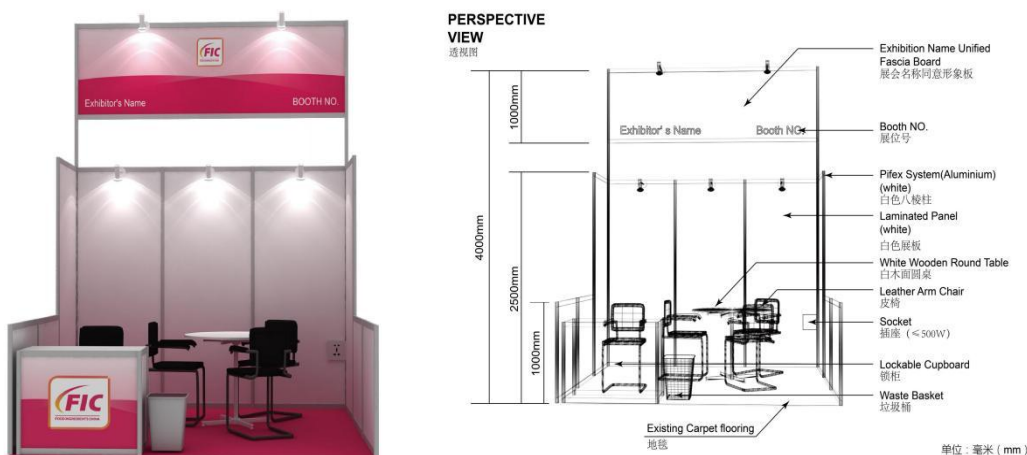

- a) All raw space booth design and height of construction are subject to Venue Manager's approval. Exhibitors should submit their finalized booth design layout together with their electrical layout plan to organizer on or before **Feb 20, 2024**.
- b) Suspensions from the hall ceiling and other structural parts of the hall (such as pipes and ducts) are not permitted.
- c) Space Only Exhibitors must build & decorate their own wall, if it is adjacent to a shell-scheme booth. No characters, pictures or paintings are allowed to appear on the partition board facing to the adjacent booth. They cannot use the reverse of their neighbor's wall.
- d) Audio equipment should not be used in the booth in order to avoid interfering the exhibition of other companies. The Organizers have right to ask the exhibitor to stop the use of the audio equipment.
- e) Exhibitors should not damage facilities (including walls, flooring, pillar, ceiling, pipes & ducts etc.) of the venues and should not obstruct gangway / exit in any sense.
